FORT LAUDERDALE, Fla., Feb. 22, 2011 (GLOBE NEWSWIRE) -- The Third Annual Spring Break for Wall Dinner Conference today announced that St. Elias Mines (TSX-V:SLI) and BankAtlantic Bancorp (NYSE:BBX) are scheduled to present on Thursday, March 3rd, 2011.

Hosted by LDV Capital Management (<http://www.LdvCapitalManagement.com>), the event will be held at Deer Creek Country Club, 2801 Country Club Blvd., Deerfield Beach, FL., beginning with the cocktail hour at 5:00 p.m.

"High powered money managers, private equity investors and executives, from all over the United States, are expected to congregate upon Deer Creek Country Club, on March 3rd, in sunny Deerfield Beach, Florida, to hear both a financial institution (NYSE:BBX) and a junior gold mining company (TSX-V:SLI) discuss the world and local economies," commented LDV Capital Management Founder and President, James DePelisi. "BankAtlantic Bancorp and St. Elias Mines will also both be making corporate presentations about their publicly traded companies.

"In a time when the world economy is spoken about on a daily basis, and the price of gold is at record highs, it is good to know that gold mining and development companies, such as St. Elias Mines (TSX-V:SLI), are at the forefront of prominent global 'junior gold mining' companies operating in different parts of the world. St. Elias Mines has their thumbprint on nine mines in the countries of Peru and Canada. They are a perfect fit for the Spring Break for Wall Street agenda on Thursday, March 3rd."

Mr. DePelisi further commented, "BankAtlantic Bancorp (NYSE:BBX) has been a prominent financial institution in South Florida for nearly 59 years. I am looking forward to hearing their corporate presentation; not only regarding their company, but also to garner insight of where our local economy and that of the Sunshine State may be trending."
